## WELCOME..... HERE IS OUR STORY

The Eastern Mediterranean culinary history dates back thousands of years, evolving from village to village, civilization to civilization, continent to continent. These dishes capture the regional spirit and customs of many cultures, languages and traditions. Here the noble history continues. Soup, kebabs, fish and special dishes are prepared from the same recipes used centuries ago.

Savory kebabs and fish are slow cooked on a open flame, which imparts its own unique flavor. **These mediterranean dishes provide one of the healthiest, most well balanced diets in the world.** Our commitment is to provide you fine Eastern Mediterranean cooking in an atmosphere of warmth and hospitality. Enjoy your meal.

Your host, *Aghan's*
